TEMPUS FUGIT

GENERAL DESCRIPTION

Launched August 2013, TEMPUS FUGIT has proved to be every bit the fast ocean cruiser Rob Humphrey and her owner conceived. Whichever port she arrives her truly stunning modern classic lines never fail to impress. Likewise on the race course where she has shown the competition a clean set of heels. Tempus Fugit sleeps six guests in three double cabins. The master cabin aft is particularly generous and offers the owner complete privacy by way of a dedicated entrance from the aft cockpit. As well as the saloon and dining area below deck, the yachts centre cockpit is ideal for 'al fresco' lunches under the shade of the bimini. A striking feature of the yacht is the use of Awlgrip's hi-tech low maintenance 'Awlwood' varnish; which shows off Tempus Fugit's wood construction with a beautiful shine from stem to stern.

TEMPUS FUGIT

SPECIFICATION

Type	Bermudan Sloop
Flag	Malta
Year	2013
Length O.A	27.43m / 90ft
Length W.L	18.88m / 62ft
Beam	5.6m / 18.4ft
Draft	3.2m / 10.6ft
Displacement	62 tonnes (light ship)
Keel	23 tonnes
Builder	Arkin Pruva Yachts
Designer	Humphreys Yacht Design
Construction	Cold moulded
Classification	RINA Pleasure Yacht. Unrestricted Navigation

MACHINERY

Main Engine	Cummins QSB 5.9 305hp
Engine Hours	TBC
Cruising speed	8 kts @ 2300 RPM
Maximum speed	10 kts

AUXILIARY MACHINERY & ELECTRICAL SYSTEM

Generators	1 x Fischer Panda 15000i PMS, 12 kw 2 x Fisher Panda 18 NE, 15.3kw
Shore power	100 Ampere 220V 50hz
Batteries	6 x 1200AH Service 24V DC Victron Energy 1 x Radio 120Ah, 12V DC 1 x Engine start 200Ah, 12V DC 2 x Generator start 120Ah, 12V DC 1 x Music System 200Ah, 12V DC 2 x Emergency Lights, 120Ah, 24V DC

TANK CAPACITIES (APPROX)

Fuel	2000 litres / 440 gal
Water	1500 litres / 337 gal
Water makers	Sea Recovery watermaker 180-220 LPH
Grey water tank	600 litres
Black water	600 litres + Tecnicomar Sewage Treatment Plant

TEMPUS FUGIT

SAILS AND RIGGING

Rig measurements	I	31.17m
	P	30.82m
	J	9.96m
	E	10.33m
Spars	Hall Spars carbon mast (Standard modulus 34-700)	
	Hall Spars carbon V-boom	
Standing rigging	Navtec nitronic rod	
Running rigging	Dyneema and Globaltech	
Furling gear	Hydraulic Reckmann Genoa Furler RF90-3	
Winches	Harken 2 x 3 speed B1000 SS Hydraulic halyard 5,000kg	
	Harken 2 x 3 speed Hydraulic main 5,000kg	
	Harken 2 x 3 speed Hydraulic primary 5,000kg	
	Harken 2 x 3 speed Hydraulic aft 5,000kg	
Sail wardrobe	Fully battened Mainsail – 209m ²	
(Doyle Stratis Sails)	Light genoa – 213m ²	
	Blade – 163m ²	
	Staysail – 81m ²	
	Asymmetric – 514m ²	
	Trysail	

ANCILLARY EQUIPMENT

Steering system	Jefa T5150 Transmission
Bow thruster	Sidepower – Thruster SP 300 HYD
WC's	Planus 24V electric Toilets
Air conditioning	Marincold
	Central Chiller system 96000 BTU

COMMUNICATION EQUIPMENT

SATCOM	KVHVSAT3
	Inmarsat Mini C (Sailor)
	Fleet broadband (Sailor)
	WLAN Yachspot
	Ericsson GSM cellular
	Ericsson LAN cellular
VHF Radio telephones	Raymarine RAY240 – twin stations
	Portable McMurdo R5 VHF

NAVIGATION EQUIPMENT

Magnetic compass	Ritchie Superyacht Series
Automatic pilot	Raymarine Autopilot
	Smart controller wireless & base station
Radar	Raymarine RD424HD Digital Radome 4KW 24"
AIS	Raymarine AIS650 CLASS B AIS transponder
GPS	3 x Raymarine multifunction touchscreens
	Raymarine i70 Speed, Depth & Wind
	Raymarine i70 displays in master, capt & Nav
	Raymarine 60 STV Sat antenna
	Raymarine hailing horn

DECK EQUIPMENT

Anchor Windless	Data hydraulic DZC 1400 H
Ground tackle	Main anchor 80kg BOYUT ULTRA stainless steel
	Ground tackle 140m 14mm galvanised
Passerelle	Carbon, manual and foldable
Canvas	Removable Bimini top over main cockpit
Deck gear	Harken stainless fittings throughout

AUDIO/VISUAL ENTERTAINMENT SYSTEMS

Main Saloon	Samsung LED 29" TV, DVD Player, Radio, Ipod dock, 4+1 surround speakers & remote control
Guest Cabins	Philips LED 19" TV
Owner's Cabin	Stereo with CD etc, LED 22" TV, Ipod docking station

DOMESTIC EQUIPMENT

Main galley	Techimpex gas stove with oven Miele Combi Microwave Ice maker Trash compactor Miele Washer/Dryer
Refrigeration	Custom design providing 1200 litres of refrigeration and freezer
